Actual cost savings on energy bills may vary depending on personal lifestyle, system settings, equipment maintenance, local climate, actual construction, installation of equipment and duct system, hours of operation, and local utility rates.
Warranty provides for a total of 10 years of limited warranty coverage (Standard 5-year limited parts warranty plus an additional 5-year limited extended warranty). Warranty must be registered within 60 days to qualify for 10-year coverage.
Unregistered equipment defaults to 5-year coverage. Lifetime limited heat exchanger warranty applies to registered equipment only (standard 20 years with no registration). See full warranty at www.alliedair.com for terms, conditions, and exclusions.
